

Finding a Network Vision Provider

Delta Dental of Wisconsin is proud to work with EyeMed Vision Care as the network provider for our members who are enrolled in either a DeltaVision plan or in Delta Dental's vision discount program. The EyeMed Access Network supporting our members is one of the largest provider networks in the nation.

- 1,200 EyeMed access points at 360+ locations in Wisconsin.
- 43,000+ EyeMed access points at 20,000+ locations nationwide.
- Popular retail chains: LensCrafters, Pearle Vision, JC Penney, Sears Optical, Target, ShopKo and others.

On the Web

For the most up-to-date network provider listings, go on-line!

1. Start at the Delta Dental of Wisconsin website. Go to www.deltadentalwi.com and click on the vision provider search link.

2. Enter your city and ZIP code, then click "Locate Providers."

3. A list of network providers appears, sorted by distance from the location you entered.

It's that simple!

By Phone

You can also receive provider information by calling EyeMed at [866-246-9041](tel:866-246-9041).
